簡介：

莫斯科市立大學於 1995 年由莫斯科市政府下令成立，受俄羅斯聯邦和莫斯科市立法機構監督。該校是莫斯科的科學、教育和文化中心，也是俄羅斯三大主要師範大學之一。學校培養的不只是中學、大學師資，還培育各種不同專業人士，包括律師、商管人士、公務機關人員、設計師、心理師、社會工作者和與社會有關的各種領域專業人士。

大學部提供的課程有翻譯研究學、生物學、地理學、教育學、人文科學、公共法律教育、社會學、心理學、特殊教育、系統工程學等。

Moscow City University was founded on March 1, 1995. It is Russia's first pedagogical higher educational institution that was initially created as a university. The purpose of this higher educational institution is to train highly qualified employees for schools and the social sphere of the city of Moscow. Today the University comprises 12 educational and one research institute, a branch in the city of Samara, a school of water sports and a comprehensive school. Each year more than 15,000 teachers and heads of various educational organizations take professional development courses at the University. Over the years, the University has become the leading center for training teachers and tutors for the educational organizations of the Moscow Region, specialists in the field of psychology, economics, management, computer science, sociology, public relations, law and philology for the needs of the social - economic and other fields of activity in the capital-megalopolis. It has allowed us to provide preschool institutions, elementary and high schools with professional personnel and to hasten the development of the capital's educational system.
