**ISTANBUL AYDIN
UNIVERSITY**

Dear Colleagues,

We are pleased to extend our invitation to the students at your institution to participate in the upcoming UNESCO Winter MUN Bootcamp Program on 19th-21st January 2026 and IAUMUN Advanced Conference on 22nd-25th January 2026 to be held at Istanbul Aydın University.

The IAUMUN Advanced Conference is a simulation of the United Nations that brings together delegates from around the world to engage in diplomacy, debate, and problem-solving. Participants represent countries and deliberate on global issues from their assigned nation's perspective.

Over the years, we have proudly hosted multiple international academic and cultural programs, fostering meaningful exchange among delegates from diverse backgrounds. The IAUMUN Advanced continues this tradition by offering a truly global environment, where participants experience a vibrant mix of cultures, ideas, and perspectives within the historical and cosmopolitan setting of Istanbul.

The UNESCO Winter MUN Bootcamp Program is an intensive preparatory experience designed to combine academic excellence with cultural immersion. Participants will receive:

- * Three days of UNESCO-led MUN training and workshops, conducted by UNESCO Chair Dr. Osman Gültekin
- * Cultural and historical tours of Istanbul
- * Meals and accommodation (if selected)
- * UNESCO Program participation certificate
- * Participation in the IAUMUN Advanced Conference, where delegates apply their training in real-time diplomatic session. This week-long experience aims to enhance participants' diplomacy, leadership, and communication skills while connecting them with peers from across the globe.

Participation Fees (International Delegates):

- * IAU UNESCO MUN Bootcamp (18-25 January 2026): 800 USD (with 7 nights of accommodation)
- * IAU UNESCO MUN Bootcamp (without accommodation): 450 USD
- * IAUMUN Conference (22-25 January 2026): 350 USD (with 4 nights of accommodation):
- * IAUMUN Conference (22-25 January 2026 without accommodation): 150 USD

(Merit and diversity scholarships may apply with a motivation letter at the application.)

To confirm participation or request additional details, please contact us at unesco@aydin.edu.tr. As places are limited, early registration is highly recommended.

We would be honored to welcome students from your institution and its delegates to Istanbul for this unique educational and cultural experience that unites learning, diplomacy, and global connection.

You can find a presentation about UNESCO program and IAUMUN Conference below.
